By order of the Board of Directors

Sonam Katyal
Company Secretary
Membership No. 33550

Place: New Delhi
Date: May 30, 2018

NOTES:

1. The relative Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 ("Act") setting out material facts concerning the business under Item Nos. 3 and 4 of the Notice, is annexed hereto. The relevant details, pursuant to Regulations 26(4) and 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") and Secretarial Standard on General Meetings issued by the Institute of Company Secretaries of India, in respect of Directors seeking appointment/re-appointment at this Annual General Meeting ("AGM") are also annexed.
2. A member entitled to attend and vote at the Annual General Meeting is entitled to appoint a proxy to attend and vote instead of himself/herself and the proxy need not be a member of the Company.

Pursuant to Section 105 of the Companies Act, 2013, a person can act as a Proxy on behalf of not more than fifty members holding in aggregate, not more than ten percent of the total Share Capital of the Company. Members holding more than ten percent of the total Share Capital

of the Company may appoint a single person as Proxy who shall not act as Proxy for any other member. A proxy form is annexed to this report.

The instrument of Proxy, in order to be effective, should be deposited at the Registered Office of the Company, duly completed and signed, not later than 48 hours before the commencement of the meeting.

3. Corporate Members intending to send their authorized representatives to attend and vote at the meeting are requested to send a duly certified copy of Board Resolution.
4. **Members, Proxies and Authorized representatives are requested to bring the attendance slips along with their copy of annual report to the meeting.**
5. In case of joint holders attending the meeting, the member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote.
6. The Register of Members and Share Transfer Books of the Company will remain closed from September 24, 2018 to September 28, 2018 (both days inclusive) in connection with the Annual General Meeting.
7. Members holding shares in dematerialized form are requested to intimate all changes pertaining to their bank mandates, nominations, power of attorney, change of address, change of name, e-mail address, contact numbers, etc., to their Depository Participant (DP) with whom they maintain their demat accounts. Members holding shares in physical form are requested to intimate such changes to the Company/Registrar & Share Transfer Agent quoting their folio number and changed details.
8. As per the provisions of Section 72 of the Act, the facility for making nomination is available for the Members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting the prescribed form. Members are requested to submit the said details to their depository participants (DP) in case the shares are held by them in electronic form and to Registrar & Share Transfer Agent in case the shares are held by them in physical form.
9. **Members who have not registered their e-mail addresses so far, are requested to register their e-mail address for receiving all communication including Annual Report, Notices, Circulars, etc. from the Company electronically.**
10. Members holding Share Certificates under different folio numbers but in the same order of names are requested to apply for consolidation of such folios and send relevant Share Certificates to the Registrar and Transfer Agent of the Company.
11. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account

Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participant with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN to the Registrar and Transfer Agent/the Company.

12. Securities of listed Companies would be transferred in dematerialized form only, from a cut-off date, to be notified by SEBI. In view of the same members holding shares in physical form are requested to consider converting their holdings to dematerialized form to eliminate all risks associated with physical shares and for ease of portfolio management. Members can contact the company's RTA for assistance in this regard.
13. Electronic copy of the Annual Report 2017-18 is being sent to the members whose email IDs are registered with the Company/Depository Participant(s) for communication purposes unless any member has requested for a physical copy of the same. For members who have not registered their email address, physical copies of the Annual Report 2017-18 are being sent in the permitted mode.
14. Members may also note that the Notice of the 46th Annual General Meeting and the Annual Report 2017-18 will also be available on the Company's website www.skpmil.com for download. The documents referred to in the accompanying Notice and the Explanatory Statement are open for inspection by members at the Registered Office of the Company during business hours on any working day (except Saturday, Sunday and Public Holiday) between 11.00 a.m. to 1.00 p.m., up to the date of the meeting. Even after registering for e-communication, members are entitled to receive such communication in physical form, upon making a request for the same, by post free of cost. For any communication, the shareholders may send request to the Company's investor email: cs@skpmil.com.
15. A route map showing directions to reach the venue of the 46th Annual General Meeting is given at the end of the notice as per the requirement of the Secretarial Standards-2 on "General Meetings".
16. **Voting through electronic means**

**DIRECTORS' REPORT**

To the Members,

The Directors of your Company are pleased to present the 46th Annual Report together with the Audited Financial Statements for the year ended on March 31, 2018.

FINANCIAL RESULTS

The financial performance of the Company for the year ended March 31, 2018 is summarised below:

	2017-18	2016-17
Revenue from Operations (Net)	13,665.98	13,806.14
Profit before Exceptional Items and Tax	(376.14)	648.75
Exceptional Items	539.83	1,771.35
Profit before Tax	163.69	2,420.10
Less: Tax Expense	101.85	46.01
Profit for the Year	61.84	2,374.09
Other Comprehensive Income	13.85	8.01
Total Comprehensive Income for the period	75.69	2,382.10

(₹ in Lakhs)

During the year under review, the revenue from operations was ₹13,665.98 lakhs against ₹13,806.14 lakhs in the last financial year. The Company has earned profit before tax of ₹163.69 lakhs (including income from exceptional items amounting to ₹539.83 Lakhs) against ₹2,420.10 lakhs (including income from exceptional items amounting to ₹1,771.35 Lakhs) in last year. The performance has been affected adversely due to increase in the cost of raw material and several other factors. However, your directors are making continuous effort in analysing and implementing various measures for better results and the improvement in performance of the Company.

The Company has adopted Indian Accounting Standard (referred to as 'Ind AS') with effect from 1 April, 2017 and accordingly these financial results along with the comparatives have been prepared in accordance with the recognition and measurement principles stated therein, prescribed under Section 133 of the Companies Act, 2013 read with the relevant rules issued thereunder and the other accounting principles generally accepted in India.

DIVIDEND

Keeping in view the low quantum of profit, the Directors have decided not to recommend any dividend for the year under review and plough back the profits to increase the wealth of the shareholders.

SHARE CAPITAL

The paid-up Equity Share Capital as on March 31, 2018 was ₹1,352.17 lakhs. During the year under review, the Company has not issued any shares with differential voting rights, sweat equity shares and equity shares under Employees Stock Option Scheme.

LISTING ON STOCK EXCHANGES

The Equity Shares of the Company are listed on Bombay

Stock Exchange. The Company's delisting application with Calcutta Stock Exchange is pending since long.

PUBLIC DEPOSITS

During the year under review, the Company has not accepted any public deposit within the meaning of Chapter V of the Companies Act, 2013 and rules made there under.

EXTRACT OF ANNUAL RETURN

The details forming part of the extract of Annual Return in Form MGT-9 is annexed herewith as 'Annexure-A'.

DIRECTORS & KEY MANAGERIAL PERSONNEL

During the year, the Company has regularized the appointment of Mr. Rajesh Muju (DIN: 07751945) as an Independent Director at the Annual General Meeting held on September 26, 2017 who was appointed as an Additional Director on March 7, 2017.

Ms. Tripta Goswami (DIN: 07111342) resigned as Director of the Company w.e.f. November 18, 2017. The Board has placed on record sincere appreciation and gratitude for contributions made by her during her tenure as a Director.

The Board of Directors has appointed Ms. Rakhi Verma (DIN: 07995132) as an Additional Director (Non-Executive) with effect from November 18, 2017. In terms of Section 161 of the Companies Act, 2013, Ms. Rakhi Verma holds office up to the date of ensuing Annual General Meeting. The Company has received requisite notice under Section 160 of the Companies Act, 2013 from a member proposing her name for appointment as a Director of the Company. Accordingly, the Board recommends the resolution in relation to appointment of Ms. Rakhi Verma as a Director, for the approval by the members of the Company. Brief profile of Ms. Rakhi Verma is given in the notice convening the ensuing AGM.

In accordance with the provisions of the Companies Act, 2013 and Articles of Association of the Company, Mr. B. N. Pasari (DIN: 00101519), Non-Executive Director of the Company retires by rotation and being eligible, offers himself for re-appointment at the ensuing Annual General Meeting.

The information on the particulars of Director eligible for appointment in terms of Regulation 36(3) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 has been provided in the notes to the notice convening the Annual General Meeting.

Declaration by Independent Directors

All Independent Directors have given declarations that they meet the criteria of independence as laid down under section 149(6) of the Companies Act, 2013 and Regulation 16(1)(b) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Board Evaluation

Pursuant to the provisions of Section 134 (3) (p) of the Companies Act, 2013 and the rules made thereunder, the Board was required to carry out the Annual Performance Evaluation of the Board, its Committees and individual Directors. Additionally, as per provision of Regulation 17 (10) of SEBI (LODR) Regulations, 2015, the performance evaluation of the independent directors was also to be done by the Board of Directors. Accordingly, the Board has carried out the annual evaluation of the Directors individually including the Independent Directors (wherein the concerned director being evaluated did not participate), Board as a whole, and following Committees of the Board of Directors.

- i) Audit Committee;
- ii) Nomination and Remuneration Committee;
- iii) Stakeholders' Relationship Committee; and
- iv) Corporate Social Responsibility Committee;

The manner in which the evaluation has been carried out is explained in the Corporate Governance Report. The Board approved the evaluation results recommended by the Nomination and Remuneration Committee.

Remuneration Policy

The Board has, on the recommendation of the Nomination & Remuneration Committee, adopted a policy for selection and appointment of Directors, Key Managerial Personnel (KMP) and Senior Management and their remuneration. The Nomination and Remuneration Policy is annexed as 'Annexure-B' to the Directors' Report.

Board Meetings

During the year, Twelve Board Meetings and One Independent Directors' Meeting were held, the details of which are given in the Corporate Governance Report. The provisions of Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 were adhered to while considering the time gap between two meetings.

Composition of Audit Committee

ANNEXURE 'B'

REMUNERATION POLICY

This Remuneration Policy is being formulated in compliance with Section 178 of the Companies Act, 2013 read along with the applicable rules thereto and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time. This policy on nomination and remuneration of Directors, Key Managerial Personnel and Senior Management has been formulated by the Nomination and Remuneration Committee (NRC or the Committee) and has been approved by the Board of Directors.

DEFINITIONS:

"Remuneration" means any money or its equivalent given or passed to any person for services rendered by him and includes perquisites as defined under the Income-tax Act, 1961;

"Key Managerial Personnel" means:

- i) Managing Director, or Chief Executive Officer or Manager and in their absence, a Whole-time Director;
- ii) Chief Financial Officer;
- iii) Company Secretary; and
- iv) such other officer as may be prescribed.

"Senior Managerial Personnel" means the personnel of the company who are members of its core management team excluding Board of Directors. Normally, this would comprise all members of management, of rank equivalent to General Manager and above, including all functional heads.

OBJECTIVE:

The objective of the policy is to ensure that:

- the level and composition of remuneration is reasonable and sufficient to attract, retain and motivate Directors of the quality required to run the Company successfully;
- relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and
- remuneration to Directors, Key Managerial Personnel and Senior Management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the Company and its goals.

ROLE OF THE COMMITTEE:

The role of the NRC will be the following:

- To formulate criteria for determining qualifications, positive attributes and independence of a Director.
- To formulate criteria for evaluation of Independent Directors and the Board.
- To identify persons who are qualified to become Directors and who may be appointed in Senior Management in accordance with the criteria laid down in this policy.

- To carry out evaluation of Director's performance.
- To recommend to the Board the appointment and removal of Directors and Senior Management.
- To recommend to the Board policy relating to remuneration for Directors, Key Managerial Personnel and Senior Management.
- To devise a policy on Board diversity, composition, size.
- Succession planning for replacing Key Executives and overseeing.
- To carry out any other function as is mandated by the Board from time to time and / or enforced by any statutory notification, amendment or modification, as may be applicable.
- To perform such other functions as may be necessary or appropriate for the performance of its duties.

APPOINTMENT AND REMOVAL OF DIRECTOR, KEY MANAGERIAL PERSONNEL AND SENIOR MANAGEMENT

- a) The Committee shall identify and ascertain the integrity, qualification, expertise and experience of the person for appointment as Director, KMP or at Senior Management level and recommend his / her appointment, as per Company's Policy.
- b) A person should possess adequate qualification, expertise and experience for the position he / she is considered for appointment. The Committee has authority to decide whether qualification, expertise and experience possessed by a person are sufficient / satisfactory for the position.

TERM / TENURE

a) Managing Director/Whole-time Director:

The Company shall appoint or re-appoint any person as its Managing Director or Executive Director for a term not exceeding five years at a time. No re-appointment shall be made earlier than one year before the expiry of term.

The Company shall not appoint or continue the employment of any person as Whole-time Director who has attained the age of seventy years provided that the term of the person holding this position may be extended beyond the age of seventy years with the approval of shareholders by passing a special resolution.

b) Independent Director:

An Independent Director shall hold office for a term up to five consecutive years on the Board of the Company and will be eligible for re-appointment on passing of a special resolution by the Company and disclosure of such appointment in the Board's report.

No Independent Director shall hold office for more than two consecutive terms of upto maximum of 5 years each, but such Independent Director shall be eligible

for appointment after expiry of three years of ceasing to become an Independent Director.

Provided that an Independent Director shall not, during the said period of three years, be appointed in or be associated with the Company in any other capacity, either directly or indirectly.

At the time of appointment of Independent Director, it should be ensured that number of Boards on which such person serves as an Independent Director is restricted to seven listed companies. Further, in case a person is serving as a Whole-time Director of a listed company, then the number of Boards on which he serves as an Independent Director is restricted to three listed companies.

EVALUATION

The Committee shall carry out evaluation of performance of every Director. The Committee shall identify evaluation criteria which will evaluate Directors based on knowledge to perform the role, time and level of participation, performance of duties, level of oversight, professional conduct and independence. The appointment / re-appointment / continuation of Directors on the Board shall be subject to the outcome of the yearly evaluation process.

REMOVAL

The Committee may recommend with reasons recorded in writing, removal of a Director, KMP or Senior Management Personnel subject to the provisions and compliance of the Companies Act, 2013, rules and regulations and the policy of the Company.

RETIREMENT

The Director, KMP and Senior Management Personnel shall retire as per the applicable provisions of the Act and the prevailing policy of the Company. The Board will have the discretion to retain the Director, KMP, Senior Management Personnel in the same position/ remuneration or otherwise even after attaining the retirement age, for the benefit of the Company.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

INDUSTRY STRUCTURE AND DEVELOPMENTS

The Indian paper industry has taken rapid strides in the last decade to raise its production and quality levels to meet growing demands in the country. The industry has the resilience to face all sorts of challenges and work towards gaining comparative advantage on sustained basis by conserving resources, reducing costs and improving efficiency and quality at all levels. The growth of the Indian paper industry is visible when its counterparts in developed regions are complaining of growth saturations and that India represents an island of growth amid growth aridity elsewhere. The paper industry is growing with same rate as that of the nation's GDP and will keep growing with the rate in times to come.

OPPORTUNITIES AND THREATS

The Indian paper industry is projected to grow tremendously on account of increasing literacy levels, higher government spending on education, booming retail sector, increasing industrial activities, growth in print media, packaging of FMCGs, pharmaceuticals and apparels, and changing urban lifestyles. A good amount of demand across the globe can be seen and mills are opting for better recycling solutions. It tends to be on a smaller scale, but there is investment in the paper industry going on all the time. There still seems to be a lot of dynamism around the Indian market despite it being hugely segmented. There is a lot of growth apparent in the Indian market.

The paper industry is one of the largest employers in India, however, the industry is marred by various challenges which need to be addressed on immediate basis. The raw material shortage and growing environmental pressure are two challenges which are interrelated and compound each other. Nearly 65 percent of the total demand is being met through imports which is hampering the growth of the industry in true sense. The increase in import of paper indicates that consumption is growing in India and the domestic industry should try to match the demands through its own production.

OUTLOOK

Paper Industry plays a vital role in the economic growth of a country through revenue generation, foreign exchange earnings and employment generation. India is a growing nation in both population and aspirational middle class, which ultimately means a growth in paper consumption. There is a great opportunity in India for the industry to work together for the development of the industry. Paper finds its usage in recording, storage and dissemination of information. Despite the technological revolution leading to increased computerization of operations, paper still holds on to its existence and has become an essential commodity.

RISKS & CONCERNS

The Company has in place a robust risk management policy which identifies and evaluates business risks and opportunities. The Company recognizes that these risks need to be managed and mitigated to protect the interest of the stakeholders, to achieve business objectives and enable sustainable growth. The risk management framework is aimed at effectively mitigating the Company's various business and operational risks, through strategic actions. The risks are reviewed for the change in the nature and extent of the major risks identified since the last assessment. It also provides control measures for risk and future action plans. An extensive program of internal audits and regular reviews by the Audit Committee is carried out to ensure compliance with the best practices.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Directors had laid down internal financial controls to be followed by the Company and such policies and procedures adopted by the Company for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information.

Your Company maintains an adequate and effective internal control system commensurate with the size and complexity. Internal Audit is conducted periodically by M/s. G A M S & Associates, Chartered Accountants who verify and report on the efficiency and effectiveness of internal controls. The Company has audit committee comprising of 3(Three) professionally qualified and well experienced Directors, who review the operational efficiency, adequacy and effectiveness of systems, processes and internal finance control of the Company.

FINANCIAL PERFORMANCE

During the year under review, the revenue from operations was ₹ 13,665.98 lakhs against ₹ 13,806.14 lakhs in the last financial year. The Company has earned profit before tax of ₹ 163.69 lakhs (including income from exceptional items amounting to ₹ 539.83 Lakhs) against ₹ 2,420.10 lakhs (including income from exceptional items amounting to ₹ 1,771.35 Lakhs) in last year. The performance has been affected adversely due to increase in the cost of raw material and several other factors. However, your directors are making continuous effort in analysing and implementing various measures for better results and the improvement in performance of the Company.

HUMAN RESOURCES & INDUSTRIAL RELATIONS

The Company takes pride in the commitment, competence and dedication of its employees in all areas of the business. The Company has a structured induction process at all locations and management development programs to upgrade skills of managers. The Company is committed to upgrading, enhancing and retaining its top talent through superior learning and organizational development. This is a part of our Corporate HR function and is a critical pillar to support the organization's growth and its sustainability in the long run. During the year, industrial relations were cordial and satisfactory. The Company had 286 employees on its payrolls as on March 31, 2018.

15. DISCLOSURES

- All transactions entered into with related parties during the year under review were on an arm's length price basis and in the ordinary course of business. These have been approved by the Audit Committee. The Company has not entered into any materially significant related party transaction that may have potential conflict with the interests of the Company at large. The Board of Directors have approved and adopted a Policy on Related Party Transactions and the same has been uploaded on the website of the Company and can be accessed at www.skpmil.com at <http://www.skpmil.com/pagepdf/1459763367.pdf> link. The details of related party transactions during the year have been set out under Note No. 59 of Notes to Financial Statements.
- No strictures or penalties have been imposed on the Company by the Stock Exchanges, Securities and Exchange Board of India (SEBI) or by any statutory authority on any matters related to capital markets during the last three years.
- The Board of Directors of the Company has approved a whistle blower policy/vigil mechanism to monitor the actions taken on complaints received under the said

- policy. This policy also outlines the reporting procedure and investigation mechanism to be followed in case an employee blows the whistle for any wrong-doing in the Company. It is ensured that employees can raise concerns regarding any violation or potential violation easily and free of any fear of retaliation, provided they have raised the concern in good faith. The Policy is expected to help to draw the Company's attention to unethical, inappropriate or incompetent conduct which has or may have detrimental effects either for the organisation or for those affected by its functions. The details of establishment of vigil mechanism are available on the website of the Company. No personnel have been denied access to the Audit Committee.
- d) The Company has complied with all the mandatory requirements laid down under the provisions of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.
- e) As the Company doesn't have any subsidiary under the provisions of the Companies Act, 2013 read with SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the requirement for adopting the Policy for determining 'material' subsidiaries is not applicable. Hence, no web link of the policy has been given in this report.
- f) During the financial year ended March 31, 2018, the Company did not engage in commodity hedging activities.
- g) In the preparation of financial statements, the Company has followed the applicable Accounting Standards. The significant accounting policies which are consistently applied have been set out in the Notes to the Financial Statements.
- h) There is an inter-se relationship between two Directors of the Company. Mr. N. K. Pasari, Managing Director of the Company is the son of another Director, Mr. B. N. Pasari.
- i) The Company has laid down procedures to inform Board members about the risk assessment and its minimisation, which is periodically reviewed to ensure that risk control is exercised by the management effectively.
- j) The Company has fully complied with the applicable requirement specified in regulations 17 to 27 and clause (b) to (i) of sub-regulation (2) of regulation 46 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Auditors' Certificate of Compliance with Corporate Governance pursuant to SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To the members of,
Shree Krishna Paper Mills & Industries Limited

We have examined the compliance of conditions of Corporate Governance by Shree Krishna Paper Mills & Industries Limited for the year ended on March 31, 2018, as stipulated in Regulation 17 to 27, clause (b) to (i) of Regulation 46(2) and paragraph C, D and E of Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The compliance of conditions of Corporate Governance is the responsibility of the management. Our examination was limited to a review of the procedures and implementation thereof, adopted by the Company for ensuring the compliance of conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, and the representations made by the Directors and Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above mentioned Listing Regulations.

We further state that such compliance is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

INDEPENDENT AUDITOR'S REPORT

To the Members of
Shree Krishna Paper Mills & Industries Limited

Report on the IND AS Financial Statements

We have audited the accompanying Ind AS financial statements of Shree Krishna Paper Mills & Industries Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2018, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "Ind AS Financial Statements").

Management's Responsibility for the IND AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance (including Other Comprehensive Income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with relevant rules issued thereunder. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit

evidence about the amounts and the disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2018 and its profit including Other Comprehensive Income, its cash flows and changes in equity for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the 'Annexure A' a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity dealt with this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid Ind AS financial statements comply with the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act.
 - (e) On the basis of the written representations received

from the directors as on March 31, 2018 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2018 from being appointed as a director in terms of Section 164 (2) of the Act.

- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in 'Annexure B'. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting; and
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its

Ind AS financial statements – refer note no. 44 of the Ind AS financial statements;

- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in our report of even date)

Referred to in Paragraph 2(f) under the heading "Report on Other Legal and Regulatory Requirements", we report that:

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Shree Krishna Paper Mills & Industries Limited ("the Company") as of March 31, 2018 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Control Over Financial Reporting (the "Guidance Note") and the Standards on Auditing issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's

internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2018

1. CORPORATE INFORMATION

Shree Krishna Paper Mills & Industries Limited (hereinafter referred to as 'the Company') is a public company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. The Company's equity shares are listed on the Bombay Stock Exchange. The Company is principally engaged in the manufacturing and selling of news print paper and other value-added papers.

The financial statements were authorized for issue in accordance with a resolution of the Board of Directors on May 30, 2018.

2. SIGNIFICANT ACCOUNTING POLICIES

A. STATEMENT OF COMPLIANCE

The financial statements have been prepared in accordance with Indian Accounting Standards ('Ind AS') notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time).

For all periods up to and including the year ended March 31, 2017, the Company prepared its financial statements in accordance with the requirements of Indian Generally Accepted Accounting Principles (GAAP), which included Standards notified under the Companies (Accounting Standards) Rules, 2006 read with Rule 7 of the Companies (Accounts) Rules, 2014 and considered as "Previous GAAP". These are the Company's first Ind AS financial statements. The date of transition to Ind AS is April 01, 2016. Refer Note 55 for the details of significant first-time adoption exemptions availed by the Company and an explanation of how the transition from previous GAAP to Ind AS has affected the Company's financial position, performance and cash flows.

B. BASIS OF PREPARATION AND PRESENTATION

The financial statements have been prepared on the historical cost basis except for certain financial instruments which have been measured at their fair values at the end of each reporting period in accordance with the relevant Ind AS. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique.

The figures for the year ended March 31, 2017 and Opening Balance Sheet as at April 01, 2016 have been restated as per the requirements of the applicable Ind AS for comparative information.

C. CURRENT VERSUS NON-CURRENT CLASSIFICATION

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities. The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents.

The Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2018

Company's financial statements have been presented in Indian National Rupee (₹) and all values are rounded to the nearest Lakhs, except where otherwise indicated.

D. FAIR VALUE MEASUREMENT

The Company measures financial instruments, such as derivatives and investment, at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

This note summarises accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

E. USE OF ESTIMATES

The preparation of the financial statements requires the Management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities as at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Estimates and assumptions are reviewed on an ongoing basis. Although such estimates are made on a reasonable and prudent basis taking into account all available information, actual results could differ from these estimates and such differences are recognized in the period in which results are ascertained.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods. The assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the company. Such changes are reflected in the assumptions when they occur.

F. PROPERTY, PLANT AND EQUIPMENT

The tangible items of property, plant and equipment are carried at cost less accumulated depreciation and accumulated impairment losses, if any. Cost of an item of property, plant and equipment comprises its purchase price including non-refundable duties and taxes, net of rebate and discounts and borrowing costs for qualifying assets, including other costs that are directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2018

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to statement of profit and loss during the reporting period in which they are incurred.

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable. An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on disposal or retirement of an item of property, plant and equipment is determined as the difference between sales proceeds and the carrying amount of the asset and is recognised in statement of profit and loss. Fully depreciated assets still in use are retained in financial statements.

Capital Work in Progress is stated at cost. Cost includes purchase price, net of taxes where applicable and all direct costs and borrowing costs attributable to qualifying assets till they are ready for their intended use.

G. DEPRECIATION & AMORTIZATION

Depreciation on the property, plant and equipment (except for leasehold land) is provided on straight-line method ("SLM") over the useful lives of the assets as specified in Schedule II to the Companies Act, 2013. On property, plant and equipment which are added / disposed off during the year, depreciation is provided on pro-rata basis with reference to the month of addition / deletion.

The estimated useful life, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Leasehold land is amortized on a straight line basis over the period of lease.

H. BORROWING COST

Borrowing costs are interest and ancillary costs incurred in connection with the arrangement of borrowings. General and specific borrowing costs attributable to acquisition and construction of any qualifying asset (one that takes a substantial period of time to get ready for its designated use or sale) are capitalised until such time as the assets are substantially ready for their intended use or sale, and included as part of the cost of that asset. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

All other borrowing costs are recognised in the Statement of Profit and Loss in the period in which they are incurred.

I. CASH AND CASH EQUIVALENTS

Cash and cash equivalents comprise cash at banks and on hand and demand deposits with an original maturity of three months or less and short-term highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value. Cash and cash equivalents include of balances with banks which are unrestricted for withdrawal and usage.

J. INVENTORIES

Inventories except scrap are valued at lower of cost and net realizable value after providing for obsolescence. Scrap is valued at net realizable value. Cost is determined on FIFO basis. Cost of inventories comprises of cost of purchase, cost of conversion and other costs (net of recoverable taxes and duties wherever applicable) including manufacturing overheads incurred in bringing them to their respective present location and condition. Net realizable value is the estimated selling price in the ordinary course of business, less estimated cost necessary to make the sale.

K. REVENUE RECOGNITION

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

Revenue includes excise duty. However, sales tax/ value added tax (VAT)/ Goods and Service tax (GST) is not received by the Company on its own account. Rather, it is tax collected on value added to the commodity by the seller on behalf of the government. Accordingly, it is excluded from revenue. The specific recognition criteria described below must also be met before revenue is recognized

i) Revenue from the sale of goods is recognised when the significant risks and rewards of ownership of the goods

**NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2018**

have passed to the buyer, usually on delivery of the goods. It is measured at the fair value of the consideration received or receivable, net of returns and trade discounts.

- ii) Interest income for all debt instruments measured at amortized cost is recorded using the Effective Interest Rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

L. FOREIGN CURRENCY TRANSACTIONS AND TRANSLATION

Financial statements are presented in Indian Rupee, which is also the Company's functional currency. Foreign currency transactions are recorded on initial recognition in the functional currency, using the exchange rate at the date of the transaction. At each balance sheet date, foreign currency monetary assets or liabilities are translated at exchange rate prevailing on the balance sheet date and the exchange gains or losses are recognised in the statement of profit & loss. Financial instruments designated as Hedge Instruments are marked to market at the valuation existing on the reporting date. Exchange differences arising on settlement of monetary items on actual payments / realisations and year end translations including on forward contracts are dealt with in Statement of Profit and Loss in the period in which they arise.

Non monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transaction.

The Company uses forward exchange contracts to hedge its exposure to the extent considered appropriate and premium or discount arising on such forward exchange contract is amortised as expense or income over the life of the contract. The unhedged forward contracts remaining unsettled at the year end are translated at the exchange rates prevailing on that date and the resulting gains or losses are recognized in the Statement of Profit and Loss.

M. EMPLOYEE BENEFITS EXPENSE**i) Short term employee benefits**

Short-term employee benefits include employee benefits (other than termination benefits) which are expected to be settled wholly within twelve months after the end of the period in which the employees render the related service and are recognized as expense in the period in which the related service is rendered.

ii) Post-employment benefits**a) Defined contribution plans**

A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions to a separate entity (a fund) and will have no legal or constructive obligation to pay further contributions if the fund does not hold sufficient assets to pay all employee benefits relating to employee service in the current and prior periods. The Company makes specified monthly contributions towards Provident Fund, Superannuation Fund and Pension Scheme. The Company's contributions to defined contribution plans are charged to the Statement of Profit and Loss as and when incurred.

b) Defined benefit plans

Funded plan: The Company has a defined benefit plan for post employment benefit in the form of gratuity, which is administered through Life Insurance Corporation of India (LIC), liability for which is provided on the basis of valuation, as at the balance sheet date, carried out by an independent actuary. The liability in respect of gratuity and other post-employment benefits is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services.

Re-measurement of defined benefit plans in respect of post-employment are charged to the Other Comprehensive Income.

iii) Other long term employee benefits

Liability for compensated absences is provided on the basis of valuation as at the balance sheet date carried out by an independent actuary. The actuarial valuation method used for measuring the liability is the projected unit credit (PUC) method.

- iv) Termination benefits are recognized as an expense as and when incurred.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2018

- v) The actuarial gains and losses on defined benefit plans arising during the year are charged to the Other Comprehensive Income.

N. TAX EXPENSES

Tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred taxes are recognised in Statement of Profit and Loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

Current Tax

Tax on income for the current period is determined on the basis on estimated taxable income and tax credits computed in accordance with the provisions of the Income Tax Act, 1961.

Current tax assets and current tax liabilities are off set when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis.

Deferred Tax

Deferred income tax is recognised using the Balance Sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred tax assets are recognised only to the extent that it is probable that either future taxable profits or reversal of deferred tax liabilities will be available, against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are reassessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current income tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Current and deferred tax are recognised as an expense or income in the statement of profit and loss, except when they relate to items credited or debited either in other comprehensive income or directly in equity, in which case the tax is also recognised in other comprehensive income or directly in equity.

Minimum Alternate Tax (MAT) is calculated as per Section 115 JB of the Income Tax Act, 1961 and is payable when tax as per it is higher than tax as per the normal provisions of the Act. Minimum Alternate Tax credit is recognised as deferred tax asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

O. EARNINGS PER SHARE

Basic Earnings Per Share (EPS) is computed by dividing the net profit or loss after tax less dividend distribution tax attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the year.

Diluted EPS is computed by adjusting the profit or loss attributable to the equity shareholders and the weighted average number of ordinary equity shares, for the effects of all dilutive potential equity shares.

P. PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event,

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2018

where it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made.

Where a provision is measured using the cash flows estimates to settle the present obligation, its carrying amount is the present value of those cash flows. Where the effect is material, the provision is discounted to net present value using an appropriate current market-based pre-tax discount rate and the unwinding of the discount is included in finance costs.

Contingent liabilities are recognised only when there is a possible obligation arising from past events, due to occurrence or non-occurrence of one or more uncertain future events, not wholly within the control of the Company, or where any present obligation cannot be measured in terms of future outflow of resources, or where a reliable estimate of the obligation cannot be made. Obligations are assessed on an ongoing basis and only those having a largely probable outflow of resources are provided for.

Contingent assets are not disclosed in the financial statements unless an inflow of economic benefits is probable.

Q. LEASES

A lease is classified at the inception date as a finance lease or an operating lease. Leases under which the Company assumes substantially all the risks and rewards of ownership are classified as finance leases. All other leases are classified as operating leases.

Assets held under finance leases are initially recognised as assets of the Company at lower of their respective fair value and the present value of the minimum lease payments. The corresponding liability to the lessor is included in the balance sheet as a finance lease obligation.

A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Company will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.

Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term except where another systematic basis is more representative of time pattern in which economic benefits from the leased assets are consumed.

R. IMPAIRMENT OF ASSETS

The Company assesses at each reporting date as to whether there is any indication that any property, plant and equipment and intangible assets or group of assets, called cash generating units (CGU) may be impaired. If any such indication exists the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the CGU to which the asset belongs.

An impairment loss is recognised in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.

The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

S. DERIVATIVE FINANCIAL INSTRUMENTS

The Company uses derivative financial instruments, such as forward currency contracts to hedge its foreign currency risks. Derivative financial instruments are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured at their fair value at the end of each period. The method of recognizing the resulting gain or loss depends on whether the derivative is designated as a hedging instrument, and if so, on the nature of the item being hedged. Any gains or losses arising from changes in the fair value of derivatives are taken directly to profit or loss.

T. FINANCIAL INSTRUMENTS

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2018

recognition of financial asset or financial liability.

(i) Financial Assets

Initial Recognition and Measurement

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Financial Assets at Amortised Cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial Assets At Fair Value Through Other Comprehensive Income (FVTOCI)

Financial assets are measured at fair value through other comprehensive income if such financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows or to sell such financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial Assets At Fair Value Through Profit or Loss (FVTPL)

Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in profit or loss.

All equity investments are measured at fair value in the balance sheet, with value changes recognized in the statement of profit and loss, except for those equity investments for which the Company has elected an irrevocable option to present value changes in OCI.

(ii) Financial Liabilities and Equity instruments

All financial liabilities are recognized at fair value at initial recognition and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost. Financial Liabilities are subsequently measured at amortised cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

Equity Instruments

An equity instrument is a contract that evidences residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments recognised by the Company are measured at the proceeds received net of direct issue cost.

Derecognition of Financial Instruments

A financial asset is primarily derecognised when the rights to receive cash flows from the asset have expired or the Company has transferred its rights to receive cash flows from the asset and has substantially transferred all the risks and rewards of ownership of the financial assets.

A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

Impairment of Financial Assets

The Company measures the expected credit loss associated with its assets based on historical trend, industry practices and the business environment in which the entity operates or any other appropriate basis.

The company assesses impairment based on expected credit losses (ECL) model at an amount equal to:-

- 12 months expected credit losses, or
- Lifetime expected credit losses

depending upon whether there has been a significant increase in credit risk since initial recognition. However, for trade receivables, the company does not track the changes in credit risk. Rather, it recognizes impairment loss

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2018

allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the statement of profit and loss (P&L). This amount is reflected under the head 'other expenses' in the P&L. The balance sheet presentation for various financial instruments is described below:

- Financial assets measured as at amortised cost and contractual revenue receivables: ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount.
- Equity instruments measured at FVTOCI: Since financial assets are already reflected at fair value, impairment allowance is not further reduced from its value.

U. NON-CURRENT ASSETS HELD FOR SALE

Non-current assets or disposal comprising of assets and liabilities are classified as 'held for sale' when all of the following criteria's are met (i) decision has been made to sell (ii) the assets are available for immediate sale in its present condition (iii) the assets are being actively marketed and (iv) sale has been agreed or is expected to be conducted within 12 months of the Balance Sheet date. Subsequently, such non-current assets and disposal groups classified as held for sale are measured at lower of its carrying value and fair value less costs to sell. Non-current assets held for sale are not depreciated or amortised.

Non-current assets classified as held for sale are presented separately from the other assets in the balance sheet

V. STANDARDS ISSUED BUT NOT YET EFFECTIVE

The amendments to standards that are issued, but not yet effective, up to the date of issuance of the Company's financial statements are disclosed below. The Company intends to adopt these standards, if applicable, when they become effective.

Amendments to Ind AS 115 Revenue from Contracts with Customers

Ind AS 115 was issued on 28 March 2018 and establishes a five-step model to account for revenue arising from contracts with customers. Under Ind AS 115, revenue is recognised at an amount that reflects the consideration to which an entity expects to be entitled in exchange for transferring goods or services to a customer. The new revenue standard will supersede all current revenue recognition requirements under Ind AS. Either a full retrospective application or a modified retrospective application is required for annual periods beginning on or after 1 April 2018. On transition, the effect of this changes is not expected to be material for the Company.

Amendments to Ind AS 12 Recognition of Deferred Tax Assets for Unrealised Losses

The amendments clarify that an entity needs to consider whether tax law restricts the sources of taxable profits against which it may make deductions on the reversal of that deductible temporary difference. Furthermore, the amendments provide guidance on how an entity should determine future taxable profits and explain the circumstances in which taxable profit may include the recovery of some assets for more than their carrying amount.

Entities are required to apply the amendments retrospectively. However, on initial application of the amendments, the changes in the opening equity of the earliest comparative period may be recognised in opening retained earnings (or in another component of equity, as appropriate), without allocating the change between opening retained earnings and other components of equity. Entities applying this relief must disclose that fact.

These amendments are effective for annual periods beginning on or after 1 April 2018. The Company will adopt the new standard on the required effective date. On transition, the effect of this changes is not expected to be material for the Company.

Appendix B to Ind AS 21 Foreign Currency Transactions and Advance Consideration

The Appendix clarifies that, in determining the spot exchange rate to use on initial recognition of the related asset, expense or income (or part of it) on the derecognition of a non-monetary asset or non-monetary liability relating to advance consideration, the date of the transaction is the date on which an entity initially recognises the non-monetary asset or non-monetary liability arising from the advance consideration. If there are multiple payments or receipts in advance, then the entity must determine the transaction date for each payment or receipt of advance consideration.

Entities may apply the Appendix requirements on a fully retrospective basis. Alternatively, an entity may apply these

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2018

requirements prospectively to all assets, expenses and income in its scope that are initially recognised on or after:

- (i) The beginning of the reporting period in which the entity first applies the Appendix, or
- (ii) The beginning of a prior reporting period presented as comparative information in the financial statements of the reporting period in which the entity first applies the Appendix.

The Appendix is effective for annual periods beginning on or after 1 April 2018. However, since the Company's current practice is in line with the Interpretation, the Company does not expect any effect on its financial statements.

W. CRITICAL ACCOUNTING JUDGEMENTS & KEY SOURCES OF ESTIMATION UNCERTAINTY

The preparation of the company's financial statements in conformity with the Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of revenues, expenses, assets and liabilities, the accompanying disclosures and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The company based its assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the company. Such changes are reflected in the assumptions when they occur.

Defined Benefit Plans

The cost of the defined benefit plans and other post-employment benefits and the present value of such obligations are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and attrition rate. Due to the complexities involved in the valuation and its long-term nature, a defined benefit plan is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Contingencies & Commitments

In the normal course of business, contingent liabilities may arise from litigations and other claims against the Company. Where the potential liabilities have a low probability of crystallizing or are very difficult to quantify reliably, we treat them as contingent liabilities. Such liabilities are disclosed in the notes but are not provided for in the financial statements. Although there can be no assurance regarding the final outcome of the legal proceedings, the Company do not expect them to have a materially adverse impact on our financial position or profitability.

Depreciation / amortisation and useful lives of property plant and equipment / intangible assets

Property, plant and equipment / intangible assets are depreciated / amortised over their estimated useful lives, after taking into account estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation / amortisation to be recorded during any reporting period. The useful lives and residual values are based on the Company's historical experience with similar assets and take into account anticipated technological changes.

Allowances for doubtful debts

The Company makes allowances for doubtful debts based on an assessment of the recoverability of trade and other receivables. The identification of doubtful debts requires use of judgement and estimates. Where the expectation is different from the original estimate, such difference will impact the carrying value of the trade and other receivables and doubtful debts expenses in the period in which such estimate has been changed.

Impairment of Financial Assets

The impairment provisions for financial assets are based on assumptions about risk of default and expected loss rates. The company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

**NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2018****55) FIRST TIME ADOPTION TO IND AS**

As stated in Note 2, the Company's financial statements for the year ended March 31, 2018 are the first annual financial statements prepared in compliance with Ind AS. The adoption of Ind AS was carried out in accordance with Ind AS 101, using April 01, 2016 as the transition date. Ind AS 101 requires that all Ind AS standards that are effective for the first Ind AS financial statements for the year ended March 31, 2018, be applied consistently and retrospectively for all fiscal years presented.

All applicable Ind AS have been applied consistently and retrospectively wherever required. The resulting difference between the carrying amounts of the assets and liabilities in the financial statements under Ind AS and Previous GAAP as at the transition date have been recognized directly in equity at the transition date.

In preparing these financial statements, the Company has availed itself of certain exemptions and exceptions in accordance with Ind AS 101 as explained below:

Optional Exemptions from retrospective application availed

- (i) **Previous GAAP carrying value as deemed cost:** The company has adopted exemption given in paragraph D7AA of Ind AS 101 relating to its property, plant & equipment as per which the company has elected to continue with the carrying value for all of its property, plant & equipment as recognised in the financial statements as at the date of transition, i.e. 01st April, 2016, measured as per Previous GAAP and used that as its deemed cost as at the date of transition to Ind AS.
- (ii) **Investment in equity instruments:** Ind AS 101 permits an entity to designate particular equity investment (Other than equity investment in subsidiaries, joint ventures and associates) as at fair value through other Comprehensive Income (FVOCI) based on facts and circumstances as the date of transition to Ind AS (rather than at initial recognition). Other equity investments are classified at Fair Value through Profit and Loss (FVTPL). The Company has availed this exemption to designate certain equity investment as FVOCI on the date of transition.

Mandatory exceptions from retrospective application

- (i) **Estimates:** On assessment of the estimates made under the Previous GAAP financial statements, the Company has concluded that there is no necessity to revise the estimates under Ind AS, as there is no objective evidence of an error in those estimates. However, estimates that were required under Ind AS but not required under Previous GAAP are made by the Company for the relevant reporting dates reflecting conditions existing as at that date.
- (ii) **Classification and measurement of financial assets:** The Company has classified and measured the financial assets on the basis of the facts and circumstances that exist at the date of transition to Ind AS.

The net impact on account of the same is decrease in financial assets by ₹ 1.65 lakh as at April 01, 2016 and ₹ 1.64 lakh as at March 31, 2017 and decrease in retained earnings by ₹ 1.65 lakh as at April 01, 2016 and increase in retained earnings by ₹ 0.01 lakh as at March 31, 2017.

b. Under Indian GAAP, the Company had accounted for financial liability (primarily borrowings and trade payables) at the undiscounted amount whereas under Ind AS, such financial liability are recognised at present value. The net impact on account of the same is decrease in financial liability by ₹ 527.60 lakh as at April 01, 2016 and ₹ 519.26 lakh as at March 31, 2017 and increase in retained earnings by ₹ 527.60 lakh as at April 01, 2016 and decrease in retained earnings by ₹ 8.34 lakh as at March 31, 2017.

2. Investments in quoted and unquoted equity instruments

Under Indian GAAP, the Company accounted for long term investments in unquoted and quoted equity shares as Investment measured at cost less provision for other than temporary diminution in the value of investments. Under Ind AS, the Company has designated such investments as FVTPL/ FVTOCI investments. The difference between the instruments fair value and Indian GAAP carrying amount of ₹ 127.52 lakh as at transition date and ₹ 131.72 lakh as at March 31, 2017 has been recognised respectively either in retained earnings or as a separate component of equity, in the FVTOCI reserve, net of related taxes, as applicable.

3. Derivative instruments

The fair value gain of foreign exchange forward contracts is recognised under Ind AS, which was not recognised under Indian GAAP. The corresponding adjustment of ₹ 2.02 lakh has been debited to reserves as at March 31, 2017. There is a consequent increase in current financial liabilities amounting to ₹ 2.02 lakh for the year ended March 31, 2017.

4. Defined benefit liabilities

Under Indian GAAP, the entire cost, including actuarial gains and losses, are charged to the statement of profit or loss. Under Ind AS, re-measurements comprising of actuarial gains and losses and the return on plan assets excluding amounts included in net interest on the net defined benefit liability are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI. Actuarial gain of ₹ 3.81 lakh as at March 31, 2017 is recognised in OCI net of tax.

5. Trade Receivables

Under Indian GAAP, the Company had created provision for impairment of receivables only in respect of specific amount

**NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2018**

for incurred losses. Under Ind AS, impairment allowance has been determined based on expected credit loss model ('ECL'). Due to ECL model, the Company impaired its trade receivable which has been adjusted against retained earnings. The net impact on account of the same is decrease in trade receivables by ₹11.72 lakh as at April 01, 2016 and ₹15.72 lakh as at March 31, 2017 and decrease in retained earnings by ₹11.72 lakh as at April 01, 2016 and ₹4.00 lakh as at March 31, 2017.

6 Liability for Dividend

Under Indian GAAP, the Company did not account for liability towards payment of dividend on outstanding preference shares. Ind AS 101 requires an entity to assess classification and measurement of financial instruments on the basis of the facts and circumstances that exist at the date of transition to Ind AS and accordingly preference shares were classified as borrowings with dividend, whether or not payable, being classified as borrowing costs. The net impact on account of the same is increase in other financial liabilities by ₹126.25 lakh as at April 01, 2016 and ₹145.76 lakh as at March 31, 2017 and decrease in retained earnings by ₹126.25 lakh as at April 01, 2016 and ₹19.51 lakh as at March 31, 2017.

7 Excise duty

Excise duty of ₹ 118.94 lakh on account of sale of goods has been included in revenue as it is on own account because it is liability of the manufacturer which forms part of the production, irrespective of whether goods are sold or not.

8 Other comprehensive income

Under Indian GAAP, the Company has not presented other comprehensive income (OCI) separately. Hence, it has reconciled Indian GAAP profit or loss to profit or loss as per Ind AS. Further, Indian GAAP profit or loss is reconciled to total comprehensive income as per Ind AS.

9 Statement of cash flows

The transition from Indian GAAP to Ind AS has not had a material impact on the statement of cash flows.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2018

There were no transfers between level 1 and level 2 for recurring fair value measurements during the year.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole;

Level 1- Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2- Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3- Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

58) FINANCIAL RISK MANAGEMENT

The Company's principal financial liabilities, other than derivatives, comprise borrowings, trade and other payables. The Company's principal financial assets include loans, trade and other receivables and cash and cash equivalents that derive directly from its operations. The Company also holds FVTOCI investments and enters into derivative transactions.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's management monitors these risks and provides assurance that the financial risk activities are governed by appropriate policies and procedures. The financial risks are identified, measured and managed in accordance with the company's policies and risk objectives. All derivative activities for risk management purposes are carried out by teams that have the appropriate skills, experience and supervision. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below.

Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers, loans and investments. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of counterparty to which the Company grants credit terms in the normal course of business.

Trade receivables

The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and industries and operate in largely independent markets. The credit worthiness are monitored at periodical intervals. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets.

The Company has used expected credit loss (ECL) model for assessing the impairment loss. For the purpose, the Company uses a provision matrix to compute the expected credit loss amount. The provision matrix takes into account external and internal risk factors and historical data of credit losses from various customers.

Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations when they become due. The Company manages liquidity risk by continuously monitoring forecast and actual cash flows on daily, monthly and yearly basis. The Company ensures that there is a free credit limit available at the start of the year which is sufficient for repayments getting due in the ensuing year. Loan arrangements, credit limits with various banks including working capital and monitoring of operational and working capital issues are always kept in mind for better liquidity management

The Company has unutilised working capital limits from banks of ₹752.21 lakhs as on March 31, 2018; ₹670.44 lakhs as on March 31, 2017 and ₹938.55 lakhs as on April 01, 2016.

Market Risk- Price Risk Exposure

Equity Price Risk is related to the change in market reference price of the investments in equity securities. The Company is exposed to equity price risks arising from equity investments. Equity investments are held for strategic rather than trading purposes. The Company does not actively trade these investments. Profit for the year would increase/ (decrease) as a result of gains/ losses on equity securities as at fair value through profit or loss.

Sensitivity

The table below summarizes the impact of increases/decreases of the BSE index on the Company's equity and Gain/Loss for the period. The analysis is based on the assumption that the index has increased by 5 % or decreased by 5 % with all other variables held constant, and that all the Company's equity instruments moved in line with the index

BSE Sensex 30- Decrease 5%	-0.00	-0.00	-0.00

(₹ in Lakhs)

Above referred sensitivity pertains to quoted equity investment. Profit for the year would increase/ (decrease) as a result of gains/ losses on equity securities as at fair value through profit or loss. Since the Company has nominal investments in quoted equity and hence, sensitivity analysis is reflecting zero value.

Foreign Currency Risk Sensitivity

A change of 5% in Foreign currency would have following Impact on profit before tax

Interest rate risk

The Company has loan facilities on floating interest rate, which exposes the Company to risk of changes in interest rates. The management monitors the interest rate movement and manages the interest rate risk by evaluating interest rate swaps etc. based on the market / risk perception.

**NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2018**

For the years ended March 31, 2018 and March 31, 2017, every 50 basis point decrease in the floating interest rate component applicable to its loans and borrowings would increase the Company's profit before tax by approximately ₹ 8.92 Lakhs and ₹ 8.60 Lakhs respectively. A 50 basis point increase in floating interest rate would have led to an equal but opposite effect.

Commodity rate risk

Exposure to market risk with respect to commodity prices primarily arises from the Company's purchases and sales of News Prints including the raw material components for such active News Prints. These are commodity products, whose prices may fluctuate significantly over short periods of time. The prices of the Company's some of the raw materials generally fluctuate in line with commodity cycles, although the prices of raw materials used in the Company's business are generally more volatile. Commodity price risk exposure is evaluated and managed through operating procedures and sourcing policies. As of March 31, 2018, the Company had not entered into any material derivative contracts to hedge exposure to fluctuations in commodity prices.
